MEMORANDUM FOR: EXO/OSO

SUBJECT: Participation of OSO and OPC in TRD Instruction

1. After your telephone call concerning the "Eyes Alone" memorandum you had received from ADSO, I checked the current schedules to determine the participation of OSO and OPC in TRD instruction. The vast majority of all participation is in the AOC. A count indicated sixteen OSO participants and fourteen from OPC. Thus, from a quantitative point of view, it is about equal. Qualitative it is also about equal, although of a recent date [REDACTED] Chief, Staff II, OPC, has been able to get some of the higher level OPC personnel to participate. This latter point was brought out by the fact that the students' comments on OPC's guest lecturers were so derogatory that this was called to the attention of [REDACTED] who took action as noted. Their present participation is likewise good.

2. For your information, I am attaching my desk copy of TRD schedules and instructors. It would be appreciated if this copy is returned when you have finished reviewing it.
